In Memoriam

In sad but loving remembrance of our dear father, Mr. Alex S. Wingfield, who departed this life one year ago today, June 16, 1921.

One long year has passed away
since he left us here alone
We miss him each day more and more
Oh! how sad, how sad is home.
But God gave and He has taken away
The loving father of our dear home
And in years to come we will understand
Why he left us alone.
A vacant place is in our home
The voice we loved so well is still
Our hearts are sad and lonely
But his sweet memory helps us to live
So we must say—
Sleep on dear father and take their rest
God called the home
But he knew best.

EVER BILIOUS?

Charleston, Miss.—Mrs. R. V. Heins, of this place, says: "I have never had to use very much medicine, because if I felt headache, dizziness, or colds, bad taste in the mouth, which comes from torpid liver, I would take a dose or more of Black-Draught, and it would straighten me out and make me feel as good as new. We have used in our family for years

THEDFORD'S

BLACK-DRAUGHT

and it certainly is the best liver medicine I ever saw. It has not only saved me money, it has helped keep my system in shape, and has never weakened me as so many physics do. I recommend it to my friends and am glad to do so." Black-Draught is the old, reliable liver medicine which you have doubtless heard much about. When you feel badly all over, stomach not right, bad taste in your mouth, bilious, or have a headache, try Thedford's Black-Draught. At all Druggists.
